RE: Hearing scheduled for May 5th

Sierra Transport LLC is in the process of installing our trucks with Electronic Drivers Logs, due to this and as the company HR Manager I am scheduled to be in training next week regarding the use and upkeep and the ELD units. Unfortunately, at this time I am the only person who can attend the hearing on behalf of the company, I report directly to ownership and they will be out of the office that week as well.

I will be back in the office starting Monday May 11th

I appreciate your understanding in this matter.

Thank You

Kevin Lutrel
